Great care is taken to ensure colours used in this catalogue represent our products as closely as possible. However, limitations in the printing process may result in some variation.

Products featuring natural materials like alabaster or travertine are unique in their characteristics. Variation in colour, texture and veining are a key part of their beauty. Each piece is unique.

We are continually evolving our collection and reserve the right to make changes to products and specifications without notice. This catalogue supersedes all previous editions

All copyright, design rights and other intellectual property relating to our products and marketing materials remain the property of där lighting group.
