LIGHTING COLLECTION 2026

JOULES

- HOME -

- HOW IT ALL BEGAN -

The Joules story began in 1989, when Tom Joule, son of a fashion retailer, pitched up at a rural show. It was probably raining. Tom had a deep understanding of his customers and a vision to redefine British classics with a dedication to quality and detail. Before long, Joules was synonymous with effortless British style.

With founder Tom Joules taking the reins, today Joules is re-imagining all it pioneered more than three and a half decades ago.

- ELEVATE EVERY EVENING -

This beautiful new lighting collection welcomes everything you love about Joules into your home. Inspired by 'eclectic collector' style, each design will enable you to create an interior space that's completely unique to you.

Discover hanging pendants, wall lights, floor lamps and more, all of which will add style and atmosphere to your home at the flick of a switch.
